THCHNICAL SPECIFICATIONS

Item weight: 2,3kg

Dimensions when assembled: ca. 61X57X27cm

Maximum user weight: 50kg

SAFETY INSTRUCTIONS

- This product has been designed for children aged from 3 to 6 years and is suitable only for smooth, paved surfaces.
- The Scooter is to be used by one person at a time. Maximum user weight has been mentioned in the Technical Specifications.
- Please pay attention that your child wears the corresponding protective clothing and does not ride the scooter without shoes.
- Do not allow your child to ride at dusk, at night or in poor light conditions. So that your child and others are not endangered, do not allow your child to ride on roads and in thoroughfares, on slopes and hillsides. Avoid riding close to stairs and open waters.
- Check the Scooter before every ride to make sure that all parts are still fixed correctly and the Scooter works as it should.
- Pay attention that your child keeps both hands tightly on the handlebar to have control over the Scooter.
- The scooter should not be used on sensitive surfaces. Such areas should where expedient, be covered with old carpets.
- Warnings! Protective equipment should be worn. Not to be used in traffic. 50 kg max.
- The brakes may become hot if the scooter has been used for a while! Avoid touching them during and after use until they have cooled down.

CARE AND MAINTENANCE

Use a dry or damp cloth only to clean the product; do not use special cleaning agents! Check the product for damage or traces of wear and tear before and after each use. Store the product in a safe place where it is protected from the elements, cannot be damaged, and cannot injure anyone. For your own safety, please use original spare parts only. Do not make any structural changes. If parts become damaged or if sharp edges or corners should develop, the product may not be used any more.

DISPOSAL ADVICE

At the end of the product's life, please dispose of it at an appropriate collection point provided in your area. Local waste management companies will be able to answer your questions on this.
