## **JOOLA Rosskopf Smash Table Tennis Racket**

The Smash racket combines all of the most innovative racket technologies! ERGO grip technology, Power-grip system, PULS system (allowing for a greater sweet spot), and DAV system technology (an anti-vibration carbon tube inside the handle) are all built-into the Smash's flared handle and five-ply blade. Smooth pips-in rubber over sponge create extreme spin and speed characteristics allowing you to dominate your opponents!
