

**SNOW SPIKES**  
ITEM NO. 20015

Spartan snow Steps easily stretch on any footwear to instantly turn your everyday shoes into snow and ice gripping machines. Our innovative and ergonomic design positions our replaceable stainless steel spikes in key weight bearing positions under your foot and heel providing maximum traction when you need it

**Instructions:**

1. carefully position the snow Steps to footwear toes first, then pull back and up
2. always wipe your snow Steps with a dry cloth after use. Store in a cool dry place out of direct sunlight
